

# Resource Productions

## Production Highlights 2016

### January - February

#### FE College

Working with Uxbridge College to create a promotional film to showcase their students and courses. Co-scripting, shooting, editing & graphics.

### March

#### Young People's careers

Commissioned to script, shoot and edit film about role models in the community for young people.

### April - May

#### Health

Commissioned by Healthwatch Slough to produce video testimonials.

### June

#### Construction

Working with multi-national Triio to film over 20 members for Customer Service Week.

### July - August

#### Creative England iShort

Produced short refugee drama 'Shamas' written/directed by a young artist, funded through the BFI & shot in Oxfordshire with emerging talent.

### September

#### Council Careers Website

We worked with Bucks County Council to develop two films to recruit and induct new staff.

### October - November

#### Wellcome Trust Drama

We secured funding to work with an established documentary filmmaker to make her first drama 'Abdullah and Leilah' about dementia.

### December

#### Digital Disruption & Random Acts

Produced short form artistic content for HOME Slough (Arts Council England) funded project. Includes establishing digital residencies and digital signage to promote Arts across the Town. We are also part of the **Arts Council England** and **Channel 4 Random Acts** Ignition Network.
